

POZNAN UNIVERSITY OF TECHNOLOGY

Faculty of Mechanical Engineering

POZnań*

- the city of education

The third largest academic and scientific center in Poland*:

- 26 higher education institutions
- almost 130 000 of students
- 221 students for 1 000 people in Poznań
- every year about 25 000 students graduate
- 8 000 Academic Staff, almost 1 000 of scientists holding the title of professor

Faculty of Mechanical Engineering

prof. Olaf CISZAK
Dean

Faculty of Mechanical Engineering
Poznan University of Technology

Faculty of Mechanical Engineering

Vice – Dean for Education (part - time studies)

Bartosz Gapiński PhD., DSc. Professor

Vice – Dean for Education (full – time studies)

Krzysztof Grześkowiak PhD.

Vice - Dean for cooperation with industry

Justyna Trojanowska PhD.

Vice – Dean for Science

Szymon Wojciechowski PhD., DSc. Professor

Faculty of Mechanical Engineering

The State Higher School of Mechanical Engineering – 1919

Presently - the Rector's office.

Faculty of Mechanical Engineering

- The oldest – above **100** years
- „Mother” for many other Faculties
- About **24 000** graduates
- About **2 500** students
- About **50** PhD students
- **150** academic staff

Fields of study

Bachelor & Master courses:

- Mechanical Engineering
- Management and Production Engineering
- Mechatronics
- Biomedical Engineering
- ***Product Lifecycle Engineering (PLE)***

Faculty of Mechanical Engineering

Institutes

Applied Mechanics

Mechanical Technology

FME

Materials Technology

Machine Design

Faculty of Mechanical Engineering

A – *Scientific Category*

Polish Committee for Evaluation of Scientific Units
